

THE HAMLIN HERALD

IN 37th YEAR — EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, JULY 3, 1942

NUMBER 35

New Rotary President

FRANK WAGGONER

Wednesday was July 1, and the Hamlin Rotary Club started a new year off with Frank Waggoner as president.

President Frank returned Sunday night from a great visit to Toronto, Canada, where he attended the International Convention of Rotary.

His official report Wednesday was ample and very interesting. He says the people of the North U. S. and Canada talk war far more than down in Texas.

Lions Had Party At Lake For Lionesses

If there is anything in the wide world that Hamlin Lions like better than being in a party on the lake with their ladies and barbecued chicken, nobody knows what it is.

Tuesday evening was Ladies' Night, and the Carmichael Hut by the lake side was the place for the entertainment. The chief feature was the installation of new officers, with Herman McBride as the president. Retiring President Henry Albritton was master of ceremonies. However Mayor Culbertson was "runner-up," in popularity because he was "Chief Chicken Cooker." Lions and Lionesses lined the tables with great eagerness.

Various awards were made, including two Master Keys to Henry Albritton and Joe McCrary. These keys are given to members securing ten new Lions.

The honor guest of the evening was our esteemed Marine, George Dean.

It Is Now Time To Transfer Scholastics

County Supt. B. T. Beavers says that it is now time to transfer children of scholastic age who are to attend school in a district other than their own. All transfer applications must be on file in the County Superintendent's office by August 1st. The following groups of pupils should or should not be transferred:

1. All those who have finished the highest grade taught in their home school, if they plan to attend school for the school year 1942-43.

2. Those whose grades are taught in their home school should NOT be transferred unless the parents of such pupils are willing to pay tuition after the per capita apportionment has been applied on their account. (The rate of tuition on such pupils usually runs from \$4.00 to \$5.00 per month.)

It is urged that parents of pupils, whose grades are not taught in their home school, see that proper transfer applications have been filed in the County Superintendent's office by August 1st. Otherwise, those children who have not been transferred will experience difficulty in enrolling next fall.

B. T. Beaver, Co. Supt.

Mrs. E. Clyde Smith returned Sunday to her home in Odessa after a visit here with Miss Eleanor Temple and other friends.

Mrs. G. P. Odom is office bookkeeper and assistant in the City Electric. She takes the place of Miss Faye Barton who has been with Mr. Vaughan since the start of the Electric store.

Mrs. W. B. Teague Jr. of San Antonio is spending several weeks at the home of her mother-in-law, Mrs. W. B. Teague near Abbie church. She visited in Clyde with Mr. and Mrs. A. T. Lasseter Sunday.

Survey Conducted For Cotton Fleahoppers

"No serious infestation of fleahoppers was found in any part of the county on any cotton beginning to square," reports Charles Griffin, County Agent of A. & M. Extension Service. The survey was conducted by Mr. Paul Gregg, Assistant Entomologist of A. & M. Extension Service and Charles Griffin.

Cotton fields were selected in the Truby, Hodges, Noodle, Anson, Locota, Sunnyside, New Hope, and Lueders communities for the survey.

In each field 100 cotton stalks were examined for fleahoppers and only an average of from 6 to 12 fleas were found per 100 stalks. When 20 fleahoppers are found per 100 stalks, dusting should begin. Fleahoppers are light green in color and are about the size of a straight pin head when young, and they feed in the terminal bud where squares are beginning to form. A similar survey will be made every two weeks and farmers will be notified if dusting should be started. 12 to 15 lbs of sulphur per acre is recommended for Jones County.

Requirements Modified For Navy Enlistment

If you have applied for enlistment in the United States Naval Service and were disqualified for insufficient teeth, vision, or failed to pass the general classification test, it is possible that you may now be eligible for enlistment, as the Navy Department has recently modified these requirements.

Men between the ages of 17 and 50, married or single, may enlist in the Navy. Both skilled and unskilled men are needed. Many can qualify for petty officer ratings, with good pay and liberal allowances.

The Navy offers specialized training in 72 different trade schools.

Selective Service registrants may volunteer for the Navy at any time before receiving orders for induction into the Army. Everyone likes to make their own choice—make yours while you still have the chance.

The Navy has a place for you. For further information or enlistment, apply at the Navy Recruiting Station, located in the Post Office Building, Abilene, Texas.

Mr. and Mrs. D. W. Carlton enjoyed a partial reunion of their children in their home Sunday. Those present besides the girls at home, were Mrs. F. L. Reynolds and her sons, Randolph, Forrest Lee and Phil of Handley, Texas; Mr. and Mrs. Dewey Baggett and daughter, Dianne of Slaton; Mrs. Charles R. Williams who was to leave Monday to be near her husband stationed at San Diego, Calif., and Mrs. Pete Via who is a recent bride, expecting to leave soon to be near her husband in the army at El Paso.

Mrs. Leona Gibbs of Shreveport, La., a sister of Mrs. W. A. Albritton, is in Hamlin for a visit.

Air Force Bombardment Pilot In The Making

A wicked-looking AT-9 twin motored advanced training plane roars over Ellington Field, Texas, where today new pilots are receiving their wings in the Army Air Force. These sharp-nosed, hump-backed craft have all flying characteristics of the giant bombers the graduating class at the Texas airdrome soon will be piloting. A Hamlin boy, W. B. Teague, graduates this July 3rd as a Staff Sergeant in Aviation.

AMERICA'S SYMBOL of LIBERTY

The Principles of Liberty and Mutual Devotion to our Ideal of Freedom prompts us to place ourselves and our printing facilities for Services for Our Country.

The Hamlin Herald

Get Auto Tax Stamp Or Face A Jail Cell

Automobile owners who allow their cars to appear on the streets without the new \$5.00 federal use stamp face a maximum penalty of \$25 fine or thirty days in jail or both, the Bureau of Internal Revenue said Monday in Dallas.

That's that.

The rumors are in Hamlin that even this late some autos in this section do not have even State License Tags, and that some never did get the \$2.09 federal use stamp.

Wonder who is taking such risks?

Mrs. D. F. Burton, from Colorado City, came Tuesday to visit her parents, Mr. and Mrs. Joe Dillingham. Mr. Burton will arrive Sunday to spend a 2 weeks vacation.

Subscription Notice

It is necessary now to carry this statement:

NO MORE subscriptions taken for three months

6 MONTHS anywhere 60c

12 MONTHS anywhere ... \$1.00

1 COPY mailed anywhere 5c

—

Mrs. Fadella Stewart and her daughter Helen who have been visiting her sister, Mrs. Elmer Joiner and family the past four weeks, returned to their home in El Paso Monday.

Mr. and Mrs. O. R. Jobe are remembering Mrs. Jobe's brother, J. D. Young with a subscription to the Herald. He is in the Panama Canal Zone at the Gatun Lock. He is driving a truck on a construction job.

Fine Slow Rain

This Thursday morning is one of the most ideal times in West Texas. A gentle cooling rain is falling. It is coming just right, and just at the right time.

Crops never looked better, except late in some cases.

This rain hits the spot on heading row crops, and will put the young cotton on a boom. Most all wheat is in now, and a slow, even rain is fixing things dandy.

Died In Cisco

The Herald has a clipping from a Cisco newspaper telling of the death, last Thursday morning, of Jesse Monroe Helms, age 62, formerly of Hamlin. The funeral was held at the home and burial was in Oakwood Cemetery.

He is survived by the wife and six children: Alva Helms, Silverton, Texas; Onis Helms, Cisco; Elton and Homer T., Hamlin; Mrs. Luther Pritchard, Brownwood, and Mrs. Tom Pritchard, Hamlin.

Mr. Helms was born in Arkansas and came to Texas in 1889, settling near Rising Star. He was married to Miss Ellen Smith of Rising Star.

The Herald office enjoyed a short visit last Friday of Ed Fizer, cashier of the Wichita National Bank of Wichita Falls. Ed Fizer is a fine young business banker who started life in this community. He has been advanced rapidly after going to Wichita Falls. His bank had \$5,013,227.08 on deposit as of April 4, 1942.

96 Boys 18 to 20

Last Friday was a great day in the lives of all American boys from 18 to 20 years of age.

Just 96 young fellows got on the dotted line in Hamlin. And this closes the final registration of all men from 18 to 65 years of age.

Mrs. O. D. Roland and her two daughters, Mary Lee and Reba of Port Arthur, are enjoying a visit with parents and grandparents, Mr. and Mrs. W. A. Albritton.

Area Rent Director

RUSSELL S. STEPHENS
of Abilene

Defense-rental director for the Abilene area including Jones, Taylor and Callahan counties is Russell S. Stephens, who has established offices in the Fulwiler Building, Abilene. Mr. Stephens is a civic leader and his affiliations include commander of the Parramore Post No. 57 of the American Legion, first vice-president of the Lions Club, home service officer of the Taylor County Red Cross, and chairman of the Board of Deacons of the First Presbyterian Church.

Hamlin is included in the defense-rental area in which the maximum rent date of April 1, 1941, became effective on July 1, 1942, and all residential rents in this area, including Jones, Taylor and Callahan counties, are now under the federal rent control plan.

Russell S. Stephens is the area rent director and has established offices in the Fulwiler Building, rooms 44-50, at 934 1-2 North Fourth St., Abilene. Jack Sayles is the attorney for this area and has offices with Mr. Stephens.

Registration dates for all landlords of residential property will be announced in the near future by Mr. Stephens and as soon as the forms are received from Washington, registration dates will be set. The landlord will keep a copy of the registration form, the tenant will receive a copy, and the area rent office will retain a copy.

All housing accommodations either rented or offered for rent including hotels and rooming houses are included in the rental program effective July 1, 1942. Even trailer houses and rented farm dwellings are included when the person living in the farm dwelling does not spend the major portion of his time engaged in farm work.

Price control officials said, "We want to appeal to every landlord and to every tenant in the Hamlin area to give us their wholehearted support in making the program a success."

The statements above were left in Hamlin by Joseph B. Cowan of the Office of War Information, Fidelity Bldg., Dallas.

Airing The Editors

The "Forgotten Country Editors" of this part of West Texas now have an opportunity to be "aired" one at a time, each week, due to the courtesy of Abilene's KRBC.

Last Sunday at 1:15 the announcer, Miss Geraldine Wright, had Ye Herald Editor on the spot, and aired him fairly well for thirty minutes.

Next Sunday it will be our neighboring editor, George English, who has been in Jones County just one year longer than Ye Herald man.

"Meet Your Editor" should mean a fairly good picture of the fellows who are a part in the cog wheels of progress in every community.

As soon as war conditions will permit, the Abilene station will likely increase its wattage to give a firmer, stronger reception to radio listeners in this part of West Texas.

The Herald Editor will say this much for the announcer, Miss Wright. She will make anyone feel at home and perfectly at ease in the programs "Meet Your Editor."

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

THE WAR —

Monday, June 29th . . .

Another week has passed, and as this month of June passes out, most Americans and all other peoples of the free world feel somewhat like they did at the time of the fall of France, Dunkirk, and the great plane attacks on England . . . but when an American stops to think how the British take set-backs, drive-backs, and defeats after defeats, and still grimly grit their teeth and carry on, we who have not engaged the Germans hardly anywhere, should feel better about it.

Last week we recorded the fall of Tobruk, the main fort and port held so long by the British in Libya.

This Monday, reports are no better, in fact, the Germans have pushed on into Egypt to within 165 miles of the great city of Alexandria. This means that the first rail head, the town of Matruh, has fallen, and with it more thousands of British prisoners, and material. So the picture does not look good yet. The battle of tanks now spreads over

hundreds of square miles of desert sand.

Further north, the Germans are still hammering at Savastopol, and the long expected German push has started with some success on other sectors of the Russian battle line. It does not look any better to Americans and British there.

All is not gloom. There is much to brighten the Allied Nations. As long as the British, the Russians, and now the Americans, can strike at the enemy, he will be growing weaker and weaker, for bursting up tanks, planes, ships, subs, and carriers, and cruisers, that they cannot replace soon, just so it means some day our retreats, set-backs and the cry of their "superiority" will stop.

The battle of Midway reassures Americans that our Navy has what it takes to stop the Japs. Admiral Nimitz reports finally that we can mark off as sunk—

FOUR Carriers (Akagi, Kaga, Soryu, and Kiyu).

275 PLANES destroyed (most of the crews).

TWO Battleships, damaged.

TWO heavy cruisers sunk (Majami and Mikuma). Three more damaged.

THREE destroyers sunk (possibly 4).

FOUR cargo ships (torpedoed, one sunk).

The German port of Bremen has been attacked by big RAF and American forces, till now it should be rubble. So on in the various parts of the world, our enemy is getting punishment while they push ahead with terrible losses to themselves.

Alexandria and Egypt MUST stand, or else our enemy will have gained an advantage that might prolong this war five years longer. The greatest weakness in most of the captured and threatened areas of world, is because of the mixed races, conglomerate armies, and characteristic non-English, non-American blood. At all cost, we believe Egypt will be held for the United Nations.

Our prediction is: That Rommel's army will be cut to pieces, and that the battle of Egypt will be a decisive battle of the world. Another setback for the German-Italian army in Libya will be the beginning of the end of the German-Italian nations.

—T & T—

Quotation—

"The time is now near at hand which must probably determine whether Americans are to be free-men or slaves . . . The fate of unborn millions will now depend, under God, on the courage and conduct of this Army. Our cruel and unrelenting enemy leaves us only the choice of a brave resistance, or the most abject submission. We have, therefore, to resolve to conquer or to die."

"Our own, our Country's honour, calls upon us for a vigorous and manly exertion; and if we now shamefully fail, we shall become infamous to the whole world. Let us, then, rely on the goodness of our cause, and the aid of the Supreme Being, in whose hands victory is, to animate and encourage, us to great and noble actions."

"Liberty, property, life and honour are all at stake."

—George Washington, before Battle of Long Island, 1776.

—T & T—

Not So Big . . . But—

"When picking up the papers that record the happenings in the little towns, one gains renewed faith in life," someone has written. "Here are set forth that which uplifts a community—the activities of the business men, the church items, farm news, and all the thousand and one happy social gatherings, as well as the marriages, births, deaths and daily occurrences that make up the simple annals of the great common people who are really the foundation of this broad country of ours."

—T & T—

Looking Ahead—

Whether in peace or in war, a nation that hopes to remain stable for itself and be useful to humanity, must look ahead.

Since now we are in war we must look ahead to the days of peace, peace in the sense that killing has stopped. The struggle of humanity

The Spirit That Makes Good American Sailors

June 14, 1942

Mr. Bowen Pope,
Care The Hamlin Herald,
Hamlin, Texas.

I have received the several copies of the Herald that you recently sent me and have enjoyed "catching up" on the news of the Hamlin territory.

There are a few things which I would like to call to your attention. Even though Hamlin, and Texas, are thickly populated with soldiers, I would like to remind you that there are a few of us home town boys that are in another branch of the service and would like to have you mention that fact a little more often. I am in the U. S. Navy and think it is the best branch of all. Of course I realize that everyone has their preference of thought, but my honest opinion is that because people of that territory are limited to seeing soldiers all the time that when they think of men in the service they immediately think of the army, and are sometimes prone to forget the other boys that are doing just as much, and maybe more, for their country. Therefore, the newspaper should be one of the best sources of information for the people to collect their information and knowledge of other services.

Anyway, we are all doing our best and that is what counts. Meantime, I might add that this good California sunshine is doing wonderful things for some of us that have had inside jobs for the past few years. I have gained some seventeen pounds since joining the Navy and feel perfect, so I can't complain much.

Best wishes to all my friends, and will be looking forward to the future issues of the Herald.

Sincerely,
H. O. Cassle, Jr.

(NOTE) That's the spirit, sailor-boy! And that's the spirit that soon gets into every fighting American boy, regardless of the branch of service he gets into. But H. O., you see we folks over here in the center of land-locked Texas, have never seen but a few sailors, just a little water, and it is hard for us to realize that some ships are big enough to carry every living soul in a town like Hamlin, and maybe all the houses and cats and dogs thrown in. Don't ever believe Texas people, and especially Hamlin folks, do not value highly every sailor in the service. Hamlin truly has a lot of fine boys in all branches of the Navy and it is hard to keep up with many of them. Soldiers have better chances to come home, and then the camps are so close to us that oodles of the boys are often seen on our streets.

H. O. you should see the "Service Window" in Hamlin. Soldier boy pictures, Sailor boy pictures, Marines, Aviators, Mechanics, Doctors, and Nurses. Every one looks good to us. Stay with the greatest navy in the world. It is our navy that protects our beloved nation from the hateful hands of Hitler and Hirohito.

From A Soldier

Dear Mr. Pope:

I am sending a \$1.00 for the Herald. I would like to know how the people around Hamlin are taking the war, and find out where a lot of the boys are I used to go to school with.

I am at Ft. Lewis, Washington, now. I don't know how long we will stay here—hope not long for it rains too much. I will be looking for the paper soon.

Staff Sgt. T. P. Johnson, 20913988
Hq. Det. 115 Med. Bn.
APO No. 40 Ft. Lewis, Washington.

—T & T—

Rev. James E. Harrell was called this week to the bedside of his mother at Breckenridge. His church announcement is therefore short.

will always continue, and the surviving peoples of the present struggle will have a chance to teach peace by living peace in a world of tolerance; in a world of "live and let live". Some day individuals will look upon other individuals as being a menace to peace if that individual shares too heavily in income over the mass that makes his salary exorbitantly possible. America is on the threshold of a new day, and that day must not be one of cockiness and silly strutting.

If, as seems likely, this nation escapes wholesale bombing and invasion, we will have the only effective production plant on earth when the last shot is fired. Destitute nations will look to us to help them to their feet. It is a challenging prospect—and a gigantic opportunity.

Lt. J. B. Terrell, Jr., Writes From England

Dearest Mother and Dad:

I guess Eloise has gotten my cable by now, and of course she would let you know about it. They asked us to not write letters for a few days, or I would have written sooner.

As yet we can't tell where we are, but in a few days we can write almost anything we wish. They might not censor officer's mail, but I do not want to take any chances.

I certainly enjoyed my trip across. The officers really had nice rooms, a nice lounge, and the very best of food. I didn't get the least bit seasick. We had all kinds of entertainment.

This is the most beautiful and picturesque country I have ever seen. It's pretty cool here, but I guess I will soon get used to it. The days are certainly long—sunrise at about 4 A. M. and sunset at about 11 P. M.

Oh yes, I saw Cowboy Evans on the boat and talked to him for quite a while, but I haven't seen him since. He's an enlisted man.

We have a nice set-up here. Two of us stay in one room; they are very nice too. We have twin beds, dressers, and two big easy chairs, rugs, linens and bed spreads. We have hot and cold water, but our showers are in another building. We have orderlies to clean the rooms, make up the beds, shine our shoes, and build the fires. (We have coal stoves). You see it's all very nice.

We have breakfast at 7:30, dinner at 12, tea at 4, and supper at 7:30. So far the meals have been good. We have a real nice officer's lounge with plenty of magazines, card tables, a Victrola, and a bar.

They say that we can get letters air mail from home in about ten days. We will always be paid on time, too.

There are certainly no indications by the appearance of this country that there is a war going on. Of course we haven't been to any of the cities that have been raided yet.

I'll close for now, but I will write again in a few days.

Please don't worry too much about me. If you could be here and see how things are, I know you wouldn't.

Love, J. B.

P. S. They just told us that we could tell where we are and places

What About Your Tires?

Every day you read in newspapers, magazines, and trade journals about the care of your tires. All seem to agree on four simple rules to prolong your tire life, viz:

1. Drive under 40 miles per hour—30 miles per hour preferred.
2. Every 5,000 miles change the tire on the left front wheel to the right rear, and the right front to the left rear.
3. Check tire inflation every week religiously. Keep them properly inflated.
4. Check front wheel alignment every 5,000 miles or more often. Check wheel balance every 5,000 miles.

Now

In some states it is required by Tire Rationing Boards to have this service performed before new tires will be issued.

This service can be had right here in Hamlin, Texas. We have the best equipment that money can buy for both Wheel Alignment and Wheel Balancing.

Why not drive in today for a check-up. It will definitely make your tires last longer and save on both gasoline and repair bills to have your car BEAR ALIGNED.

Miss Mary E. Greenway
Lt. Dalbert W. Barron
Married Sunday

Mr. and Mrs. Roscoe Greenway are announcing the marriage of their daughter, Mary Emmet, to Lt. Dalbert W. Barron, son of Mr. and Mrs. J. N. Barron, of Borger. The ceremony was read Sunday by the Rev. H. E. East, pastor of the First Baptist church, in the home of the bride's uncle and aunt, Mr. and Mrs. Carl Greenway.

The bride was wearing a navy sheer ensemble with gold accessories and a shoulder corsage of pastel gladioluses.

Mrs. Barron, a graduate of the Hamlin High school, completed her junior year at West Texas State Teachers College, Canyon, in June.

Lieutenant Barron received his education in the Borger High school and attended West Texas State Teachers College where he majored in mathematics. He was a member of the college foot ball team and the "T" club. He enlisted in the U. S. Army Air Corps in December, 1941, and received his commission at Mather Field, Sacramento, Calif., June 23rd.

Lieut. and Mrs. Barron left immediately after the ceremony for Borger to visit with his parents before going to Mather Field, Sacramento, where he will receive his assignment.

Miss Ila Carlton Bride Of Pvt. E. P. Via

Friday, June 19, was the date of the marriage of Mr. Pete Via and Miss Ila Carlton, the ceremony taking place at the home of the Justice of the Peace, Mr. and Mrs. Grogan Turner, with only intimate friends as witnesses.

The bride is a daughter of Mr. and Mrs. D. W. Carlton, a graduate of the Hamlin High school, and a business college in Abilene. She has been secretary in the office of Attorney Travis Dean the past two years.

Pvt. Via is a son of Mrs. M. T. Via of Hamlin. He is a graduate of Hamlin High school and has been engaged in the tailoring business in Hamlin. He has been doing army service in the William Beaumont Army hospital in El Paso since his induction. He was on an 18 day furlough till last Sunday when he reported for duty.

Mrs. Via will leave soon for El Paso to be near her husband, and will probably have employment in a private office or a civil service place in some war effort.

Why Women Work At Red Cross Rooms

As British relief shipment concludes, the Dowager Marchioness of Reading, D. B. E., chairman of Women's Voluntary Services for Civil Defense, London, England, transmits this message to women of America who have participated in the Red Cross production program for civilian relief in Great Britain.

"Many months have passed since the American Red Cross appointed the Women's Voluntary Services for Civil Defense to administer their civilian relief programs in Great Britain months in which a whole world has changed, in which people of this country have been called upon to endure hardships and face horrors they never could have imagined but which they have faced dauntlessly. They have—thanks to you—been helped greatly in so doing by the sympathy and generosity of the people of the United States.

"Men, women and children in Great Britain have seen their homes devastated, their dear ones killed—every possession lost—and they have turned for help to find it already there waiting; hot drinks and foods from your mobile canteens, delicious and sustaining chocolate in the rest centers, blankets to cover them, and the warm garments you have made with which to set forth on their daily work.

"So the name of the American Red Cross has become a magic one to those in distress. It has forged a bond of real friendship for many thousands of individuals to whom the United States was before only a name."

The Jones County shipment of garments for July will complete foreign war relief quota to Great Britain. The remainder will be hospital and Philippine aid.

A shipment of approximately 471 garments, forty knitted items, both for foreign relief, and thirty-four knitted articles for armed forces, are moving out of the Jones County Red Cross production room this week. Fifty knitted garments for the navy will be shipped July 15th, and by August 15, sixty-four turtle-neck sweaters and sixty-four wristlets for the army must be shipped, yarn for which has just arrived.

The Jones County Board would like to contact Fred Singleton and Joe Slovack. If any one should know their present address, please advise the board.

George Beavers Jr. and wife and baby of Waco came up for the week end with his parents, Rev. and Mrs. Geo. Beavers. They were accompanied by a sister, Mrs. J. D. Williams and Mrs. Albert McGee who are related to the Maynards of the Hamlin community.

Jones Co. Takes Every 1st Place At Haskell Dairy Show

Selecting a very small number of Jones County's best dairy animals to show in the Haskell Dairy Show Saturday, June 20, every animal shown took a first place and a blue ribbon.

Roy Moritz, of Tuxedo, showed the grand champion cow which was officially classified "excellent" by the American Jersey Cattle Club, scoring 92 1-2 points. J. W. Ridgeway, official classifier, pointed out that Mr. Moritz's cow was one of the outstanding cows of the nation and received the highest classification than any he had classified this year throughout the Southwest and Old South. Elton Brigham of Tuxedo showed Reserve Champion cow. Gene Mickler of Stamford showed the grand champion bull and William Brigham of Tuxedo showed reserve champion bull.

In addition to the first places in showing, Jones County won the dairy judging for both junior and adult. Mr. and Mrs. Roy Moritz won 1st and 2nd place respectively for the adults and James Brigham, nine year old 4-H club boy from Tuxedo, won first place in junior division.

The following animals from Jones County took first places at the show: COWS—3 years old and over, Roy Moritz, 1st and grand champion; under 3 years old and fresh, Elton Brigham, 1st and reserve champion.

HEIFERS—12 to 18 months old, Gene Mickler, 1st; 6 to 12 months old, William Brigham, 1st.

BAPTIST CHURCH

John Wesley was blessed with a wise mother. Her rule for discovering sin was this: "Whatever weakens your reason, impairs the tenderness of your conscience, obscures your sense of God, takes off your relish for spiritual things—whatever increases the authority of the body over the mind—that thing is sin to you, however innocent it may seem in itself."

The church cannot be neglected without sin impairing your soul. We invite you to all our services.

The Woman's Society of Christian Service will observe Monday as visiting day.

Mid-week service Wednesday evening at 8:30.

Sunday is Communion Sunday and the pastor will bring a communion message.

Sunday night the Young People will have charge of the service and make reports of the Youth Caravan week.

We welcome visitors.

Revival At Neinda

Rev. J. E. Harrell, pastor of the Hamlin Methodist church, will assist the pastor, Rev. Grady Adcock, at Neinda in a revival that started Friday, July 3, to continue through July 12th. The public is invited to attend their services mornings and evenings.

More Jones Co. Boys Are Called To Army

The Jones County Local Board called the following Jones County boys to report on June 28th, to be sent to Abilene, for final physical examination and induction, on June 29th.

Commie Alfred Crow, Route 3, Hamlin.

Ray Wilbur Lundgren, Avoca.

Edward Price Moore, Gen. Del., Hamlin.

Clarence Clayton Watkins, Route 2, Lueders.

Walter Guy King, Gen. Del., San Angelo.

Jesse Emmett Lankford, Crowell.

Orville Howard Cox, Dallas.

The following were transferred to Jones County Local Board for induction, from other counties:

Earl Pershing Blackwell, Anson.

Lonnie Marvin Cox, Stamford.

The following colored boys were ordered to report on June 30th, to be sent to Abilene, for final physical examination and induction on July 1st, 1942.

Johnnie Lenard, Anson.

Gould William Wright, Stamford.

Sam Brown, Hamlin.

Beauty and Brains Leads Campaign for Soldier Candidate

This is not just a campaign smile that Mrs. Vernon Lemens of Waxahachie has on her face as she sits behind the campaign manager's desk of her soldier husband working for votes to elect him lieutenant governor of Texas. Proof is that she was selected "Smile Girl" in a national photographic contest before she married into politics. These radiant features helped her selection as a "Cactus Beauty" during her student days at the University of Texas. And her beauty is more than skin deep. Along with that beauty prize she won the highest scholarship prize. She was also Phi Beta Kappa at the University. These prizes and more she won while earning her way as she was learning her way through the University. For further discouragement to opponents it may be said she is a veteran political campaigner now. Working with her husband she has won three previous legislative campaigns.

Her greatest joys are her two sons, age 6 and 3, but she leaves routine house chores to a nurse-maid and keeps her place as political partner to her husband. So it was logical for her to carry on the race for lieutenant governor when the senator was called from reserve officer status into active army duty in April. He is stationed at Camp Hood near Austin and under Army rules governing public officials will be eligible for leave during the legislative session.

An "advice" columnist says that a man should make his wife a silent partner. Good trick if you can do it.

IMPORTANT— TO PERSONS WHO HAVE CHARGE ACCOUNTS

New Government regulations place new restrictions on merchants. ALSO persons with charge accounts have a big part to meet.

CHARGE ACCOUNTS—Must be paid by the 10th day of the second month following purchase, but no down payment required. For instance, a listed article bought any day up to the end of the month should be paid for by the 10th of the next month, and becomes a restriction after the 10th of the second month following purchase.

Your Co-operation Is Expected

POT SHOTS FROM McCaulley

BY GEO. DARDEN

We are informed that Ivan Mus-tain who has been stationed at San Antonio, will soon be transferred to an Officers Training School. Ivan has been training as a radio man in the army and from reports he is far advanced in radio service. Ivan was reared in McCaulley and he is another home town boy making good.

Glenn Gray who is in the navy and stationed in a naval base in California, has been visiting his uncle and aunt, Mr. and Mrs. L. R. Maberry. Glenn has quite a reputation as a boxer, having won this district two years ago in the Golden Gloves tournament at Abilene as a welter weight. He attended McCaulley High school and was an all around athlete.

Velma Lou Boyd, daughter of Mr. and Mrs. Louis Boyd and who is attending summer school at John Tarleton, writes that she will spend the 4th of July with her parents at McCaulley. Buddy Boyd, a son of Mr. and Mrs. Louis Boyd, is attending A. & M. and the Dean writes that Buddy has made the honor roll.

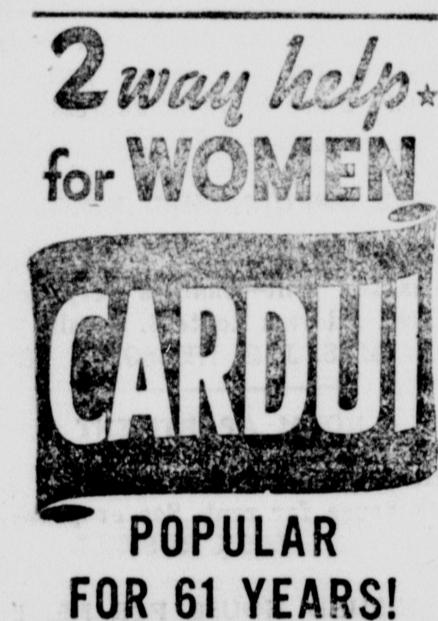

F. L. Rector who underwent surgery at a Sweetwater hospital last week, is doing fine and is at home.

Miss Mary Ann McCollum is in Alabama visiting grandparents. Her mother, Mrs. Levi McCollum, expects to join Mary Ann within the next few days and will likely visit for a month in Alabama.

Mr. and Mrs. N. D. Miers of the Hobbs community are holding open house in their new home Sunday, July 5th. All friends of Mr. and Mrs. Miers are cordially invited to attend.

Private Ted Blackwell of Shepard Field is at home on leave and is visiting his sister and family, Mr. and Mrs. Glenn Henderson. Ted is a former McCaulley High school student.

J. B. Jayroe who is stationed at Madison, Indiana, is at home on 15 days leave. It is the first time J. B.

The eight German spies caught on American soil the other day should be shot without further ceremony. Why a trial, when they were caught red handed and have confessed? Before America can win this war, we must deal with our enemies as if they were deadly rattlesnakes and now is no time to be chicken-hearted or even show mercy in any shape, form or fashion.

We would know what to expect if some of our countrymen were caught in Germany or Japan as spies, and it's a dead mortal cinch that they would get the works. A few years in jail will not solve the spy problem in America, and like millions of other American citizens, we say give

them the works and do it now.

As we write these lines, Hal Collins is on the radio and of all the silly propaganda that was ever put out, now folks he is really exploding. We sometimes wonder if the people will fall for such a line. Old Hal would like for the people to believe that our Governor is sponsoring race track gambling, a honkey-tonk on every corner and everything that is degrading. The people of Texas who know the record of our governor, know that Coke Stevenson stands for everything that is right and just, and before we could fall for Hal's baloney, we would have to be so weak from taking crazy crystals that our mind would be in such a feeble state that we would need to be in a padded cell.

A DARDEN-O-GRAM

DOVIE NEWS

By Stella Ray Pryor

The Epworth League gave its regular program Sunday, June 28th. The group had a sing-song, after which Rev. L. K. Malone gave a special talk to the young people.

Sunday morning Rev. Shelbie Beacham of Plainview brought the sermon. He was unable to be with us Sunday night on account of a meeting at Plainview in which he was helping.

Rev. Alvis Cooley, pastor of the Dovie church, will fill his place Sunday, July 5th. He, as well as all others of Dovie, invites you to our Sunday school and church.

Sunday school begins at 10:00 A.M.

Morning worship at 11:00 A.M.

Epworth League for the young people meets at 8:00 P.M., and the evening worship begins at 9:00 P.M.

The Epworth League surely extends a hearty invitation to all the young people between the ages of 12 and 23 years.

Monday night, June 29th, Morris Bessire, chairman of the recreation committee, gave the young people a social at the church. There were 15 young people present.

Friday night, July 3, there will be a council meeting at the church. All members of the council are urged to be there, please. We have some important business to attend. We have been promised a surprise by the recreation chairman at that time, too.

William Taylor returned Sunday night from Dallas where he has been attending the Stamps Baxter School of Music for the past month. He says that his trip was surely well worth his time, money and effort. We are glad to have him back with us.

The North Side Jones County Singing Convention met at Dovie Sunday afternoon. Everyone present enjoyed the singing.

Misses Floy Hudson, Fay Barton and Mary Emily Eakin, left last Friday for San Antonio where they will be employed.

Miss Effie Dee Walker, nurse in the Baptist Hospital at Abilene, came over Monday to spend a week with her parents, Mr. and Mrs. Mike Walker.

Mrs. T. J. Nall has returned from the Stamford Hospital where she underwent an operation early in the week. She is reported recovering rapidly.

Mr. and Mrs. J. A. Jenkins, east of Hamlin, report a fine son at their home. His name is Jeffrey Jenkins, weight 9 pounds.

RUPTURE

SHIELD EXPERT HERE

H. M. SHEVANAN, widely known expert of Chicago, will personally be at the HILTON HOTEL, ABILENE, Thursday, only, JULY 9th, from 9 A. M. to 5 P. M.

Mr. Shevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only heal the rupture perfectly but increase the circulation, strengthens the weakened parts, thereby closing the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume no matter the size or location. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Shevnan will be glad to demonstrate without charge.
Add. 6509 N. Artesia Ave., Chicago.
Large incisional Hernia or rupture following surgical operation especially solicited.

Aero-Crafts Institute

(Incorporated)

—WILL TRAIN—

IN STAMFORD

A LIMITED NUMBER OF QUALIFIED

MEN 18 to 55 and WOMEN 18 to 40

For Immediate Employment

In high-paying positions in Civil Service at Army Air Bases and in Aircraft Factories

Both Day and Night Classes

WILL BE CONDUCTED, BEGINNING JULY 6th

Therefore, you need not quit your present employment until you are ready to take your place in this vital war industry.

PART TUITION NOW, BALANCE AFTER EMPLOYMENT

The demand for trained personnel is urgent. One factory alone has asked for 400 graduates as rapidly as they can be trained.

You will have all the advantages of a factory outlined course at an established school and the service of its 100 per cent efficient placement bureau.

A few vacancies remain and reservations for these are now being accepted.

AERO-CRAFTS INSTITUTE, Inc.

208 NORTH SWENSON AVENUE

Stamford, Texas

Frankie Joe Andress, little daughter of Mr. and Mrs. Lon Andress, suffered a broken arm when she fell from a trunk in the Andress home last Saturday.

Mr. and Mrs. John Miles have returned from Kentucky, after a two weeks visit with relatives in the Blue Grass State.

Miss Geraldine Henderson is at home after several months in school at Abilene.

Mrs. Vera Jayroe has returned home after two weeks visit in Kentucky and Indiana.

Mrs. Charlie Eivens has returned to her home after a visit with her son, Linnie Wheeler Eivens at Ft. Bliss. We understand that Corporal Eivens will soon be transferred to some camp in Oregon.

John and Granville Dean are in El Paso and are employed as carpenters in defense jobs there.

Clifford Carlton who farms for W. C. Keane is seriously ill at his home and doctors report symptoms of typhoid fever.

Miss Madean Maberry of Borger, Texas, is spending the summer in the home of Mr. and Mrs. Willard Maberry.

We learn that A. L. Gregg, formerly of McCaulley and who now lives south of Neinda is seriously ill in a Sweetwater hospital with heart trouble.

Mr. and Mrs. C. P. Yates are spending the week with Mr. and Mrs. N. D. Miers in the Hobbs community.

Mrs. W. F. Davison and daughters, Frances and June, went to McKinney, Texas, last Friday to attend the wedding of their son and brother, Marvin Davison.

Dixie Maberry, little daughter of Mr. and Mrs. George Maberry is visiting in Plainview, Texas, with relatives.

THE HAMLIN HERALD

IN 37th YEAR — EVERY WEEK SINCE 1905

HAMLIN, JONES COUNTY, TEXAS, FRIDAY, JULY 3, 1942

NUMBER 35

New Rotary President

FRANK WAGGONER

Wednesday was July 1, and the Hamlin Rotary Club started a new year off with Frank Waggoner as president.

President Frank returned Sunday night from a great visit to Toronto, Canada, where he attended the International Convention of Rotary.

His official report Wednesday was ample and very interesting. He says the people of the North U. S. and Canada talk war far more than down in Texas.

Lions Had Party At Lake For Lionesses

If there is anything in the wide world that Hamlin Lions like better than being in a party on the lake with their ladies and barbecued chicken, nobody knows what it is.

Tuesday evening was Ladies' Night, and the Carmichael Hut by the lake side was the place for the entertainment. The chief feature was the installation of new officers, with Herman McBride as the president. Retiring President Henry Albritton was master of ceremonies. However Mayor Culbertson was "runner-up," in popularity because he was "Chief Chicken Cooker." Lions and Lionesses lined the tables with great eagerness.

Various awards were made, including two Master Keys to Henry Albritton and Joe McCrary. These keys are given to members securing ten new Lions.

The honor guest of the evening was our esteemed Marine, George Dean.

It Is Now Time To Transfer Scholastics

County Supt. B. T. Beavers says that it is now time to transfer children of scholastic age who are to attend school in a district other than their own. All transfer applications must be on file in the County Superintendent's office by August 1st. The following groups of pupils should or should not be transferred:

1. All those who have finished the highest grade taught in their home school, if they plan to attend school for the school year 1942-43.

2. Those whose grades are taught in their home school should NOT be transferred unless the parents of such pupils are willing to pay tuition after the per capita apportionment has been applied on their account. (The rate of tuition on such pupils usually runs from \$4.00 to \$5.00 per month.)

It is urged that parents of pupils, whose grades are not taught in their home school, see that proper transfer applications have been filed in the County Superintendent's office by August 1st. Otherwise, those children who have not been transferred will experience difficulty in enrolling next fall.

B. T. Beaver, Co. Supt.

Mrs. E. Clyde Smith returned Sunday to her home in Odessa after a visit here with Miss Eleanor Temple and other friends.

Mrs. G. P. Odom is office bookkeeper and assistant in the City Electric. She takes the place of Miss Faye Barton who has been with Mr. Vaughan since the start of the electric store.

Mrs. W. B. Teague Jr. of San Antonio is spending several weeks at the home of her mother-in-law, Mrs. W. B. Teague near Abbie church. She visited in Clyde with Mr. and Mrs. A. T. Lasseter Sunday.

Survey Conducted For Cotton Fleahoppers

"No serious infestation of fleahoppers was found in any part of the county on any cotton beginning to square," reports Charles Griffin, County Agent of A. & M. Extension Service. The survey was conducted by Mr. Paul Gregg, Assistant Entomologist of A. & M. Extension Service and Charles Griffin.

Cotton fields were selected in the the Truby, Hodges, Noodle, Anson, Locota, Sunnyside, New Hope, and Lueders communities for the survey.

In each field 100 cotton stalks were examined for fleahoppers and only an average of from 6 to 12 fleas were found per 100 stalks. When 20 fleahoppers are found per 100 stalks, dusting should begin. Fleahoppers are light green in color and are about the size of a straight pin head when young, and they feed in the terminal bud where squares are beginning to form. A similar survey will be made every two weeks and farmers will be notified if dusting should be started. 12 to 15 lbs of sulphur per acre is recommended for Jones County.

Requirements Modified For Navy Enlistment

If you have applied for enlistment in the United States Naval Service and were disqualified for insufficient teeth, vision, or failed to pass the general classification test, it is possible that you may now be eligible for enlistment, as the Navy Department has recently modified these requirements.

Men between the ages of 17 and 50, married or single, may enlist in the Navy. Both skilled and unskilled men are needed. Many can qualify for petty officer ratings, with good pay and liberal allowances.

The Navy offers specialized training in 72 different trade schools.

Selective Service registrants may volunteer for the Navy at any time before receiving orders for induction into the Army. Everyone likes to make their own choice—make yours while you still have the chance.

The Navy has a place for you. For further information or enlistment, apply at the Navy Recruiting Station, located in the Post Office Building, Abilene, Texas.

Mr. and Mrs. D. W. Carlton enjoyed a partial reunion of their children in their home Sunday. Those present besides the girls at home, were Mrs. F. L. Reynolds and her sons, Randolph, Forrest Lee and Phil of Handley, Texas; Mr. and Mrs. Dewey Baggett and daughter, Dianne of Slaton; Mrs. Charles R. Williams who was to leave Monday to be near her husband stationed at San Diego, Calif., and Mrs. Pete Via who is a recent bride, expecting to leave soon to be near her husband in the army at El Paso.

Mrs. Leona Gibbs of Shreveport, La., a sister of Mrs. W. A. Albritton, is in Hamlin for a visit.

It is urged that parents of pupils, whose grades are not taught in their home school, see that proper transfer applications have been filed in the County Superintendent's office by August 1st. Otherwise, those children who have not been transferred will experience difficulty in enrolling next fall.

B. T. Beaver, Co. Supt.

Mrs. E. Clyde Smith returned Sunday to her home in Odessa after a visit here with Miss Eleanor Temple and other friends.

Mrs. G. P. Odom is office bookkeeper and assistant in the City Electric. She takes the place of Miss Faye Barton who has been with Mr. Vaughan since the start of the electric store.

Mrs. W. B. Teague Jr. of San Antonio is spending several weeks at the home of her mother-in-law, Mrs. W. B. Teague near Abbie church. She visited in Clyde with Mr. and Mrs. A. T. Lasseter Sunday.

Air Force Bombardment Pilot In The Making

A wicked-looking AT-9 twin motored advanced training plane roars over Ellington Field, Texas, where today new pilots are receiving their wings in the Army Air Force. These sharp-nosed, hump-backed craft have all flying characteristics of the giant bombers the graduating class at the Texas airfield soon will be piloting. A Hamlin boy, W. B. Teague, graduates this July 3rd as a Staff Sergeant in Aviation.

Area Rent Director

RUSSELL S. STEPHENS
of Abilene

Defense-rental director for the Abilene area including Jones, Taylor and Callahan counties is Russell S. Stephens, who has established offices in the Fulwiler Building, Abilene. Mr. Stephens is a civic leader and his affiliations include commander of the Parramore Post No. 57 of the American Legion, first vice-president of the Lions Club, home service officer of the Taylor County Red Cross, and chairman of the Board of Deacons of the First Presbyterian Church.

Hamlin is included in the defense-rental area in which the maximum rent date of April 1, 1941, became effective on July 1, 1942, and all residential rents in this area, including Jones, Taylor and Callahan counties, are now under the federal rent control plan.

Russell S. Stephens is the area rent director and has established offices in the Fulwiler Building, rooms 44-50, at 934 1/2 North Fourth St., Abilene. Jack Sayles is the attorney for this area and has offices with Mr. Stephens.

Registration dates for all landlords of residential property will be announced in the near future by Mr. Stephens and as soon as the forms are received from Washington, registration dates will be set. The landlord will keep a copy of the registration form, the tenant will receive a copy, and the area rent office will retain a copy.

All housing accommodations either rented or offered for rent including hotels and rooming houses are included in the rental program effective July 1, 1942. Even trailer houses and rented farm dwellings are included when the person living in the farm dwelling does not spend the major portion of his time engaged in farm work.

Price control officials said, "We want to appeal to every landlord and to every tenant in the Hamlin area to give us their wholehearted support in making the program a success."

The statements above were left in Hamlin by Joseph B. Cowan of the Office of War Information, Fidelity Bldg., Dallas.

Airing The Editors

The "Forgotten Country Editors" of this part of West Texas now have an opportunity to be "aired" one at a time, each week, due to the courtesy of Abilene's KRBC.

Last Sunday at 1:15 the announcer, Miss Geraldine Wright, had Ye Herald Editor on the spot, and aired him fairly well for thirty minutes.

Next Sunday it will be our neighboring editor, George English, who has been in Jones County just one year longer than Ye Herald man.

"Meet Your Editor" should mean a fairly good picture of the fellows who are a part in the cog wheels of progress in every community.

As soon as war conditions will permit, the Abilene station will likely increase its wattage to give a firmer, stronger reception to radio listeners in this part of West Texas.

The Herald Editor will say this much for the announcer, Miss Wright. She will make anyone feel at home and perfectly at ease in the programs "Meet Your Editor."

96 Boys 18 to 20

Last Friday was a great day in the lives of all American boys from 18 to 20 years of age.

Just 96 young fellows got on the dotted line in Hamlin. And this closes the final registration of all men from 18 to 65 years of age.

Mrs. O. D. Roland and her two daughters, Mary Lee and Reba of Port Arthur, are enjoying a visit with parents and grandparents, Mr. and Mrs. W. A. Albritton.

THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

THE WAR

Monday, June 29th . . .

Another week has passed, and as this month of June passes out, most Americans and all other peoples of the free world feel somewhat like they did at the time of the fall of France, Dunkirk, and the great plane attacks on England . . . but when an American stops to think how the British take set-backs, drive-backs, and defeats after defeats, and still grimly grit their teeth and carry on, we who have not engaged the Germans hardly anywhere, should feel better about it.

Last week we recorded the fall of Tobruk, the main fort and port held so long by the British in Libya.

This Monday, reports are no better, in fact, the Germans have pushed on into Egypt to within 165 miles of the great city of Alexandria. This means that the first rail head, the town of Matruh, has fallen, and with it more thousands of British prisoners, and material. So the picture does not look good yet. The battle of tanks now spreads over

hundreds of square miles of desert sand.

Further north, the Germans are still hammering at Savastopol, and the long expected German push has started with some success on other sectors of the Russian battle line. It does not look any better to Americans and British there.

All is not gloom. There is much to brighten the Allied Nations. As long as the British, the Russians, and now the Americans, can strike at the enemy, he will be growing weaker and weaker, for bursting up tanks, planes, ships, subs, and carriers, and cruisers, that they cannot replace soon, just so it means some day our retreats, set-backs and the cry of their "superiority" will stop.

The battle of Midway reassures Americans that our Navy has what it takes to stop the Japs. Admiral Nimitz reports finally that we can mark off as sunk—

FOUR Carriers (Akagi, Kaga, Soryu, and Kiyu).

275 PLANES destroyed (most of the crews).

TWO Battleships, damaged.

TWO heavy cruisers sunk (Mogami and Mikuma). Three more damaged.

THREE destroyers sunk (possibly 4).

FOUR cargo ships (torpedoed, one sunk).

The German port of Bremen has been attacked by big RAF and American forces, till now it should be rubble. So on in the various parts of the world, our enemy is getting punishment while they push ahead with terrible losses to themselves.

Alexandria and Egypt MUST stand, or else our enemy will have gained an advantage that might prolong this war five years longer. The greatest weakness in most of the captured and threatened areas of world, is because of the mixed races, conglomerate armies, and characteristic non-English, non-American blood. At all cost, we believe Egypt will be held for the United Nations.

Our prediction is: That Rommel's army will be cut to pieces, and that the battle of Egypt will be a decisive battle of the world. Another setback for the German-Italian army in Libya will be the beginning of the end of the German-Italian nations.

—T & T—

Quotation—

"The time is now near at hand which must probably determine whether Americans are to be free-men or slaves . . . The fate of unborn millions will now depend, under God, on the courage and conduct of this Army. Our cruel and unrelenting enemy leaves us only the choice of a brave resistance, or the most abject submission. We have, therefore, to resolve to conquer or to die."

"Our own, our Country's honour, calls upon us for a vigorous and manly exertion; and if we now shamefully fail, we shall become infamous to the whole world. Let us, then, rely on the goodness of our cause, and the aid of the Supreme Being, in whose hands victory is, to animate and encourage, us to great and noble actions."

"Liberty, property, life and honour are all at stake."

—George Washington, before Battle of Long Island, 1776.

—T & T—

Not So Big . . . But—

"When picking up the papers that record the happenings in the little towns, one gains renewed faith in life," someone has written. "Here are set forth that which uplifts a community—the activities of the business men, the church items, farm news, and all the thousand and one happy social gatherings, as well as the marriages, births, deaths and daily occurrences that make up the simple annals of the great common people who are really the foundation of this broad country of ours."

—T & T—

Looking Ahead—

Whether in peace or in war, a nation that hopes to remain stable for itself and be useful to humanity, must look ahead.

Since now we are in war we must look ahead to the days of peace, peace in the sense that killing has stopped. The struggle of humanity

The Spirit That Makes Good American Sailors

June 14, 1942

Mr. Bowen Pope,
 Care The Hamlin Herald,
 Hamlin, Texas.

I have received the several copies of the Herald that you recently sent me and have enjoyed "catching up" on the news of the Hamlin territory.

There are a few things which I would like to call to your attention. Even though Hamlin, and Texas, are thickly populated with soldiers, I would like to remind you that there are a few of us home town boys that are in another branch of the service and would like to have you mention that fact a little more often. I am in the U. S. Navy and think it is the best branch of all. Of course I realize that everyone has their preference of thought, but my honest opinion is that because people of that territory are limited to seeing soldiers all the time that when they think of men in the service they immediately think of the army, and are sometimes prone to forget the other boys that are doing just as much, and maybe more, for their country. Therefore, the newspaper should be one of the best sources of information for the people to collect their information and knowledge of other services.

Anyway, we are all doing our best and that is what counts.

Meantime, I might add that this good California sunshine is doing wonderful things for some of us that have had inside jobs for the past few years. I have gained some seventeen pounds since joining the Navy and feel perfect, so I can't complain much.

Best wishes to all my friends, and will be looking forward to the future issues of the Herald.

Sincerely,
 H. O. Cassle, Jr.

(NOTE) That's the spirit, sailor-boy! And that's the spirit that soon gets into every fighting American boy, regardless of the branch of service he gets into. But H. O., you see we folks over here in the center of land-locked Texas, have never seen but a few sailors, just a little water, and it is hard for us to realize that some ships are big enough to carry every living soul in a town like Hamlin, and maybe all the houses and cats and dogs thrown in. Don't ever believe Texas people, and especially Hamlin folks, do not value highly every sailor in the service. Hamlin truly has a lot of fine boys in all branches of the Navy and it is hard to keep up with many of them. Soldiers have better chances to come home, and then the camps are so close to us that oodles of the boys are often seen on our streets.

H. O. you should see the "Service Window" in Hamlin. Soldier boy pictures, Sailor boy pictures, Marines, Aviators, Mechanics, Doctors, and Nurses. Every one looks good to us. Stay with the greatest navy in the world. It is our navy that protects our beloved nation from the hateful hands of Hitler and Hirohito.

From A Soldier

Dear Mr. Pope:

I am sending a \$1.00 for the Herald. I would like to know how the people around Hamlin are taking the war, and find out where a lot of the boys are I used to go to school with.

I am at Ft. Lewis, Washington, now. I don't know how long we will stay here—hope not long for it rains too much. I will be looking for the paper soon.

Staff Sgt. T. P. Johnson, 20913988 Hq. Det. 115 Med. Bn.
 APO No. 40 Ft. Lewis, Washington.

Rev. James E. Harrell was called this week to the bedside of his mother at Breckenridge. His church announcement is therefore short.

will always continue, and the surviving peoples of the present struggle will have a chance to teach peace by living peace in a world of tolerance; in a world of "live and let live". Some day individuals will look upon other individuals as being a menace to peace if that individual shares too heavily in income over the mass that makes his salary exorbitantly possible. America is on the threshold of a new day, and that day must not be one of cockiness and silly strutting.

If, as seems likely, this nation escapes wholesale bombing and invasion, we will have the only effective production plant on earth when the last shot is fired. Destitute nations will look to us to help them to their feet. It is a challenging prospect—and a gigantic opportunity.

Lt. J. B. Terrell, Jr., Writes From England

Dearest Mother and Dad:

I guess Eloise has gotten my cable by now, and of course she would let you know about it. They asked us to not write letters for a few days, or I would have written sooner.

As yet we can't tell where we are, but in a few days we can write almost anything we wish. They might not censor officer's mail, but I do not want to take any chances.

I certainly enjoyed my trip across. The officers really had nice rooms, a nice lounge, and the very best of food. I didn't get the least bit seasick. We had all kinds of entertainment.

This is the most beautiful and picturesque country I have ever seen. It's pretty cool here, but I guess I will soon get used to it. The days are certainly long—sunrise at about 4 A. M. and sunset at about 11 P. M.

Oh yes, I saw Cowboy Evans on the boat and talked to him for quite a while, but I haven't seen him since. He's an enlisted man.

We have a nice set-up here. Two of us stay in one room; they are very nice too. We have twin beds, dressers, and two big easy chairs, rugs, linens and bed spreads. We have hot and cold water, but our showers are in another building. We have orderlies to clean the rooms, make up the beds, shine our shoes, and build the fires. (We have coal stoves). You see it's all very nice.

We have breakfast at 7:30, dinner at 12, tea at 4, and supper at 7:30. So far the meals have been good. We have a real nice officer's lounge with plenty of magazines, card tables, a Victrola, and a bar.

They say that we can get letters air mail from home in about ten days. We will always be paid on time, too.

There are certainly no indications by the appearance of this country that there is a war going on. Of course we haven't been to any of the cities that have been raided yet.

I'll close for now, but I will write again in a few days.

Please don't worry too much about me. If you could be here and see how things are, I know you wouldn't.

Love, J. B.

P. S. They just told us that we could tell where we are and places!

What About Your Tires?

Every day you read in newspapers, magazines, and trade journals about the care of your tires. All seem to agree on four simple rules to prolong your tire life, viz:

1. Drive under 40 miles per hour—30 miles per hour preferred.
2. Every 5,000 miles change the tire on the left front wheel to the right rear, and the right front to the left rear.
3. Check tire inflation every week religiously. Keep them properly inflated.
4. Check front wheel alignment every 5,000 miles or more often. Check wheel balance every 5,000 miles.

Now

In some states it is required by Tire Rationing Boards to have this service performed before new tires will be issued.

This service can be had right here in Hamlin, Texas. We have the best equipment that money can buy for both Wheel Alignment and Wheel Balancing.

Why not drive in today for a check-up. It will definitely make your tires last longer and save on both gasoline and repair bills to have your car BEAR ALIGNED.

Miss Mary E. Greenway
Lt. Dalbert W. Barron
Married Sunday

Mr. and Mrs. Roscoe Greenway are announcing the marriage of their daughter, Mary Emmet, to Lt. Dalbert W. Barron, son of Mr. and Mrs. J. N. Barron, of Borger. The ceremony was read Sunday by the Rev. H. E. East, pastor of the First Baptist church, in the home of the bride's uncle and aunt, Mr. and Mrs. Carl Greenway.

The bride was wearing a navy sheer ensemble with gold accessories and a shoulder corsage of pastel gladioluses.

Mrs. Barron, a graduate of the Hamlin High school, completed her junior year at West Texas State Teachers College, Canyon, in June.

Lieutenant Barron received his education in the Borger High school and attended West Texas State Teachers College where he majored in mathematics. He was a member of the college foot ball team and the "T" club. He enlisted in the U. S. Army Air Corps in December, 1941, and received his commission at Mather Field, Sacramento, Calif., June 23rd.

Lieut. and Mrs. Barron left immediately after the ceremony for Borger to visit with his parents before going to Mather Field, Sacramento, where he will receive his assignment.

Miss Ila Carlton Bride
Of Pvt. E. P. Via

Friday, June 19, was the date of the marriage of Mr. Pete Via and Miss Ila Carlton, the ceremony taking place at the home of the Justice of the Peace, Mr. and Mrs. Grogan Turner, with only intimate friends as witnesses.

The bride is a daughter of Mr. and Mrs. D. W. Carlton, a graduate of the Hamlin High school, and a business college in Abilene. She has been secretary in the office of Attorney Travis Dean the past two years.

Pvt. Via is a son of Mrs. M. T. Via of Hamlin. He is a graduate of Hamlin High school and has been engaged in the tailoring business in Hamlin. He has been doing army service in the William Beaumont Army hospital in El Paso since his induction. He was on an 18 day furlough till last Sunday when he reported for duty.

Mrs. Via will leave soon for El Paso to be near her husband, and will probably have employment in a private office or a civil service place in some war effort.

Why Women Work At Red Cross Rooms

As British relief shipment concludes, the Dowager Marchioness of Reading, D. B. E., chairman of Women's Voluntary Services for Civil Defense, London, England, transmits this message to women of America who have participated in the Red Cross production program for civilian relief in Great Britain.

"Many months have passed since the American Red Cross appointed the Women's Voluntary Services for Civil Defense to administer their civilian relief programs in Great Britain months in which a whole world has changed, in which people of this country have been called upon to endure hardships and face horrors they never could have imagined but which they have faced dauntlessly. They have—thanks to you—been helped greatly in so doing by the sympathy and generosity of the people of the United States.

"Men, women and children in Great Britain have seen their homes devastated, their dear ones killed—every possession lost—and they have turned for help to find it already there waiting; hot drinks and foods from your mobile canteens, delicious and sustaining chocolate in the rest centers, blankets to cover them, and the warm garments you have made with which to set forth on their daily work.

"So the name of the American Red Cross has become a magic one to those in distress. It has forged a bond of real friendship for many thousands of individuals to whom the United States was before only a name."

The Jones County shipment of garments for July will complete foreign war relief quota to Great Britain. The remainder will be hospital and Philippine aid.

A shipment of approximately 471 garments, forty knitted items, both for foreign relief, and thirty-four knitted articles for armed forces, are moving out of the Jones County Red Cross production room this week. Fifty knitted garments for the navy will be shipped July 15th, and by August 15, sixty-four turtle-neck sweaters and sixty-four wristlets for the army must be shipped, yarn for which has just arrived.

The Jones County Board would like to contact Fred Singleton and Joe Slovak. If any one should know their present address, please advise the board.

George Beavers Jr. and wife and baby of Waco came up for the week end with their parents, Rev. and Mrs. Geo. Beavers. They were accompanied by a sister, Mrs. J. D. Williams and Mrs. Albert McGee who are related to the Maynards of the Hamlin community.

Jones Co. Takes Every 1st Place At Haskell Dairy Show

Selecting a very small number of Jones County's best dairy animals to show in the Haskell Dairy Show Saturday, June 20, every animal shown took a first place and a blue ribbon.

Roy Moritz, of Tuxedo, showed the grand champion cow which was officially classified "excellent" by the American Jersey Cattle Club, scoring 92 1-2 points. J. W. Ridgeway, official classifier, pointed out that Mr. Moritz's cow was one of the outstanding cows of the nation and received the highest classification than any he had classified this year throughout the Southwest and Old South. Elton Brigham of Tuxedo showed Reserve Champion cow. Gene Mickler of Stamford showed the grand champion bull and William Brigham of Tuxedo showed reserve champion bull.

In addition to the first places in showing, Jones County won the dairy judging for both junior and adult. Mr. and Mrs. Roy Moritz won 1st and 2nd place respectively for the adults and James Brigham, nine year old 4-H club boy from Tuxedo, won first place in junior division.

The following animals from Jones County took first places at the show:

COWS—3 years old and over, Roy Moritz, 1st and grand champion; under 3 years old and fresh, Elton Brigham, 1st and reserve champion.

HEIFERS—12 to 18 months old, Gene Mickler, 1st; 6 to 12 months old, William Brigham, 1st.

POT SHOTS FROM McCARLEY

BY GEO. DARREN

We are informed that Ivan Muskin who has been stationed at San Antonio, will soon be transferred to an Officers Training School. Ivan has been training as a radio man in the army and from reports he is far advanced in radio service. Ivan was reared in McCaulley and he is another home town boy making good.

Glenn Gray who is in the navy and stationed in a naval base in California, has been visiting his uncle and aunt, Mr. and Mrs. L. R. Maberry.

Glenn has quite a reputation as a boxer, having won this district two years ago in the Golden Gloves tournament at Abilene as a welter weight. He attended McCaulley High school and was an all around athlete.

Velma Lou Boyd, daughter of Mr. and Mrs. Louis Boyd and who is attending summer school at John Tarleton, writes that she will spend the 4th of July with her parents at McCaulley. Buddy Boyd, a son of Mr. and Mrs. Louis Boyd, is attending A. & M. and the Dean writes that Buddy has made the honor roll.

F. L. Rector who underwent surgery at a Sweetwater hospital last week, is doing fine and is at home. Miss Mary Ann McCollum is in Alabama visiting grandparents. Her mother, Mrs. Levi McCollum, expects to join Mary Ann within the next few days and will likely visit for a month in Alabama.

Mr. and Mrs. N. D. Miers of the Hobbs community are holding open house in their new home Sunday, July 5th. All friends of Mr. and Mrs. Miers are cordially invited to attend.

Private Ted Blackwell of Shepard Field is at home on leave and is visiting his sister and family, Mr. and Mrs. Glenn Henderson. Ted is a former McCaulley High school student.

J. B. Jayroe who is stationed at Madison, Indiana, is at home on 15 days leave. It is the first time J. B.

has been home since he was inducted into the army.

Frankie Joe Andress, little daughter of Mr. and Mrs. Lon Andress, suffered a broken arm when she fell from a trunk in the Andress home last Saturday.

Mr. and Mrs. John Miles have returned from Kentucky, after a two weeks visit with relatives in the Blue Grass State.

Miss Geraldine Henderson is at home after several months in school at Abilene.

Mrs. Vera Jayroe has returned home after two weeks visit in Kentucky and Indiana.

Mrs. Charlie Eivens has returned to her home after a visit with her son, Linnie Wheeler Eivens at Ft. Bliss. We understand that Corporal Eivens will soon be transferred to some camp in Oregon.

John and Granville Dean are in El Paso and are employed as carpenters in defense jobs there.

Clifford Carlton who farms for W. C. Keane is seriously ill at his home and doctors report symptoms of typhoid fever.

Miss Madean Maberry of Borger, Texas, is spending the summer in the home of Mr. and Mrs. Willard Maberry.

We learn that A. L. Gregg, formerly of McCaulley and who now lives south of Neinda is seriously ill in a Sweetwater hospital with heart trouble.

Mr. and Mrs. C. P. Yates are spending the week with Mr. and Mrs. N. D. Miers in the Hobbs community.

Mrs. W. F. Davison and daughters, Frances and June, went to McKinney, Texas, last Friday to attend the wedding of their son and brother, Marvin Davison.

Dixie Maberry, little daughter of Mr. and Mrs. George Maberry is visiting in Plainview, Texas, with relatives.

o-o-o

The eight German spies caught on American soil the other day should be shot without further ceremony. Why a trial, when they were caught red handed and have confessed? Before America can win this war, we must deal with our enemies as if they were deadly rattlesnakes and now is no time to be chicken-hearted or even show mercy in any shape, form or fashion.

We would know what to expect if some of our countrymen were caught in Germany or Japan as spies, and it's a dead mortal cinch that they would get the works. A few years in jail will not solve the spy problem in America, and like millions of other American citizens, we say give

The North Side Jones County Singing Convention met at Dovie Sunday afternoon. Everyone present enjoyed the singing.

William Taylor returned Sunday night from Dallas where he has been attending the Stamps Baxter School of Music for the past month. He says that his trip was surely well worth his time, money and effort. We are glad to have him back with us.

The North Side Jones County Singing Convention met at Dovie Sunday afternoon. Everyone present enjoyed the singing.

Misses Floy Hudson, Fay Barton and Mary Emily Eakin, left last Friday for San Antonio where they will be employed.

Miss Effie Dee Walker, nurse in the Baptist Hospital at Abilene, came over Monday to spend a week with her parents, Mr. and Mrs. Mike Walker.

Mrs. T. J. Nall has returned from the Stamford Hospital where she underwent an operation early in the week. She is reported recovering rapidly.

Mr. and Mrs. J. A. Jenkins, east of Hamlin, report a fine son at their home. His name is Jeffrey Jenkins, weight 9 pounds.

Therefore, you need not quit your present employment until you are ready to take your place in this vital war industry.

PART TUITION NOW, BALANCE AFTER EMPLOYMENT

The demand for trained personnel is urgent. One factory alone has asked for 400 graduates as rapidly as they can be trained.

You will have all the advantages of a factory outlined course at an established school and the service of its 100 per cent efficient placement bureau.

A few vacancies remain and reservations for these are now being accepted.

AERO-CRAFTS INSTITUTE, Inc.

208 NORTH SWENSON AVENUE

Stamford, Texas

them the works and do it now.

As we write these lines, Hal Colins is on the radio and of all the silly propaganda that was ever put out, now folks he is really exploding. We sometimes wonder if the people will fall for such a line. Old Hal would like for the people to believe that our Governor is sponsoring race track gambling, a honky-tonk on every corner and everything that is degrading. The people of Texas who know the record of our governor, know that Coke Stevenson stands for everything that is right and just, and before we could fall for Hal's baloney, we would have to be so weak from taking crazy crystals that our mind would be in such a feeble state that we would need to be in a padded cell.

A DARDEN-O-GRAM

DOVIE NEWS

By Stella Ray Pryor

The Epworth League gave its regular program Sunday, June 28th. The group had a sing-song, after which Rev. L. K. Malone gave a special talk to the young people.

Sunday morning Rev. Shelbie Beacham of Plainview brought the sermon. He was unable to be with us Sunday night on account of a meeting at Plainview in which he was helping.

Rev. Alvis Cooley, pastor of the Dovie church, will fill his place Sunday, July 5th. He, as well as all others of Dovie, invites you to our Sunday school and church.

Sunday school begins at 10:00 A.M.

Morning worship at 11:00 A.M. Epworth League for the young people meets at 8:00 P.M., and the evening worship begins at 9:00 P.M.

The Epworth League surely extends a hearty invitation to all the young people between the ages of 12 and 23 years.

Monday night, June 29th, Morris Bessire, chairman of the recreation committee, gave the young people a social at the church. There were 15 young people present.

Friday night, July 3, there will be a council meeting at the church. All members of the council are urged to be there, please. We have some important business to attend. We have been promised a surprise by the recreation chairman at that time, too.

William Taylor returned Sunday night from Dallas where he has been attending the Stamps Baxter School of Music for the past month. He says that his trip was surely well worth his time, money and effort. We are glad to have him back with us.
